## Speaker Bios

### **Trevor Sloan, Co-Head of Intelligence, RS Energy Group**

Trevor has been analyzing the energy industry for nearly two decades, signing on with RSEG in July 2003 after working three years as an economist at the Canadian Energy Research Institute. Prior to his current role, Trevor was responsible for asset characterization and financial modeling, primarily focusing on U.S. plays and companies in the Rockies and Gulf Coast regions. A frequent presenter at industry conferences, he also regularly manages advisory projects involving corporate and asset level valuation.

### **Scott Miller, Vice President - Energy Financial Services, BOK Financial**

Scott Miller began his career in banking by joining the BOK Financial ACT Program in 2012. After completing the rotational credit training program he was placed on the oil and gas lending team and currently serves as a Vice President of the Energy Financial Services group, managing upstream and midstream business development and client relationships for the DFW area and Midland. Scott has a Bachelor's of Business Administration with a Major in Finance as well as Minors in Energy Technology & Management and Spanish from the Neeley School of Business at TCU.

### **Damon Putman, Managing Director - Energy, Angelo Gordon**

Damon Putman joined Angelo Gordon in 2013 and is a Managing Director in the firm's energy group. Damon was most recently CFO of Torch Energy Advisors, a private energy company with 40 employees and investments in the upstream, midstream and renewable energy sectors and a member of its executive committee. He oversaw financial, treasury, accounting, cash management and IT functions, and managed its private equity and bank relationships as well as its general investor relations. Damon has experience working on a variety of transactions including first and second lien debt, mezzanine debt, and minority and project equity investments. Damon holds a B.B.A. degree from the University of Texas, Austin.

### **Daniel Goodman, Co-Founder & Partner, Carnelian Energy Capital Management, L.P.**

Mr. Goodman is a Co-Founder and Partner of Carnelian Energy Capital Management, L.P., where he oversees Carnelian's efforts in sourcing investments, transaction negotiation and execution, monitoring of active portfolio companies and firm management and strategy. Mr. Goodman began his career at UBS Investment Bank and then Natural Gas Partners before founding Carnelian. Mr. Goodman has served on the boards of more than 30 oil and gas companies covering the upstream, midstream and oilfield services sectors. Mr. Goodman grew up in Houston, Texas, and received a B.B.A. in Finance with honors from the Business Honors Program at The University of Texas at Austin and an M.B.A. from the Stanford Graduate School of Business.
