

Ken Golden is a Certified Financial Professional™ and an Independent Wealth Advisor at The Mather Group, a full-service Registered Investment Advisor.

Before transitioning to wealth management, Ken had a distinguished 34-year career in the oil and gas industry with Mobil and ExxonMobil, where he excelled in corporate strategy, acquisitions, portfolio optimization, engineering, and management.

He served as Senior Energy Advisor for ExxonMobil, including being a key contributor to the annual Outlook for Energy publication. Ken has held various roles, including Strategy Advisor for New Ventures and Unconventional Development Advisor, while also undertaking assignments in Norway and the UK. He has led Deepwater Projects, overseen global exploration efforts, and delivered frequent public speeches on the future of energy. Ken was honored by ExxonMobil Corporation for his Advanced Professional Achievement in both Development Engineering and Business Planning & Analysis.

Ken holds a BS in Petroleum Engineering from Texas A&M University, and an MBA from University of Texas of the Permian Basin. He has been a member of the Society of Petroleum Engineers for over 42 years.
